

## How Many?

Reach down into my pocket  
Spare change for the homeless vet  
Wheeling, dealing, profit, stealing  
Gotta pay for what you get  
Banks tank from the housing crisis  
Great recession, unemployment  
Bernie Madoff like such a bandit  
I wonder who the next sucker is

How Many, How Many  
How Many You want, How Many You want

Dodge past the cars on the corner  
Gotta head from here to there  
Grab me a seat on the subway  
Don't get caught in the same old jam  
Past the cab lights on Park Avenue  
Past the flashing lights at Times Square  
Past the bar lights in the East Village  
Grab me a slice of pizza somewhere

How Many, How Many  
How Many You want, How Many You want

GM, Toyota, Ford, Volkswagen  
Apple, Facebook, Google, Tweet this  
Visa, Mastercard or Amex  
Do I use cash, or charge it  
One burger with everything on it  
Coke, Pepsi, Perrier, Poland Spring  
Gasoline, phone bill, cable or rent  
No I aint signing off just yet

How Many, How Many  
How Many You want, How Many You want
